Dear Sir.

Yours of the 18th inst rec'd with enclosed Memento of my father, with many thanks,

I have written the Director at Washington, & receive an answer — to my regret — that there was no available money that could be used at present for that purpose. If it was in your power I would consider a reasonable offer. Hoping this will cause you to reconsider, without any annoyance

Dear Sir

Yours of the 18th inst. rec'd. with enclosed mementos of my father, with many thanks.

I have written the Director at Washington, & receive an answer – to my regret – that there was no available money that could be used at present for that purpose. If it was in your power I would consider a reasonable offer, hoping this will cause you to reconsider, without any annoyance caused by me. I Remain

Very Respectfully Yours
